2 Downloading Help & Manual 9

This topic explains how to download the **Help + Manual 9** application from the Internet.

To download the trial version

1. Open your Internet Browser (**Microsoft Edge** or **Firefox** or **Google Chrome** or the one that you use) on your computer.
2. Type www.helpandmanual.com in the URL field (indicated in the image below) of your browser (in the example Internet Explorer is used) and press **Enter** on your keyboard. The following page appears in your browser.

3. Click on **Free Trial**. The following web page is displayed.

The screenshot shows the Help+Manual website at <https://www.helpandmanual.com/downloads.html>. The page features a navigation bar with links for Products, Support, Company, Free Trial, Buy Now, Contact, and News. A banner at the top says "Start getting productive!". Below it, a section titled "Download Free Evaluation Versions" highlights the trial version of Help+Manual. It includes a download icon (a blue question mark inside a circle) and a link to "Help+Manual 9.2.0 Build 6538 [Older versions]". Other links include "Release notes (Aug 25, 2023)", "End User License Agreement", and "System requirements". Another section for "H+M Translation Assistant" is also shown with its own download icon and links to "Help+Manual Translation Assistant 9.2.0 Build 532" and "Release notes (Aug 25, 2023)".

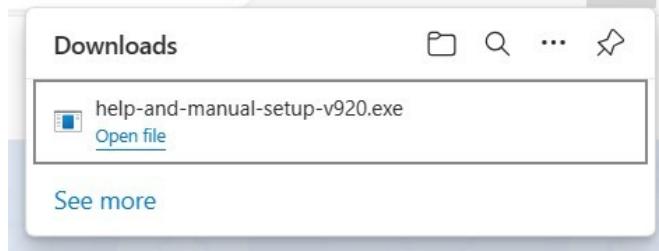

Note: The downloads for older versions of **Help + Manual** can be accessed by clicking the **[Older versions]** link.

- Click the **Older versions** link located next to the **Help+Manual 8.4.2 Build 6538** link.

The download starts instantly. On **Google Chrome** the following download indicator appears at the bottom left of your browser's screen.

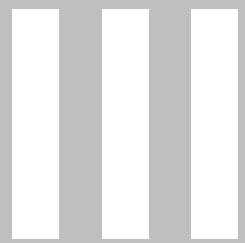

On Windows, if you are using the **Microsoft Edge** Internet browser, it is downloaded to your

Downloads folder.

3 Installing Help & Manual 9

This topic explains the installation of **Help & Manual 9** on your computer running Windows 10.

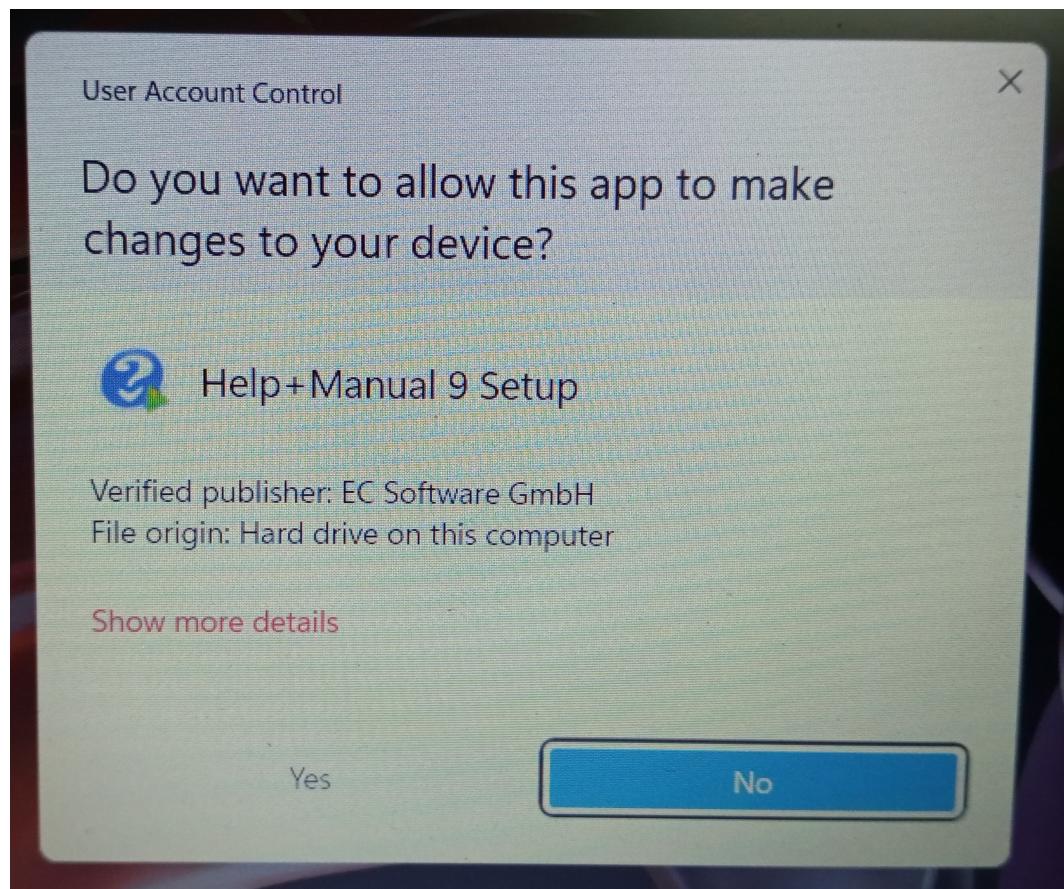

To install Help & Manual

Note: Unless indicated leave the default filled in boxes, check boxes and radio buttons as they are.

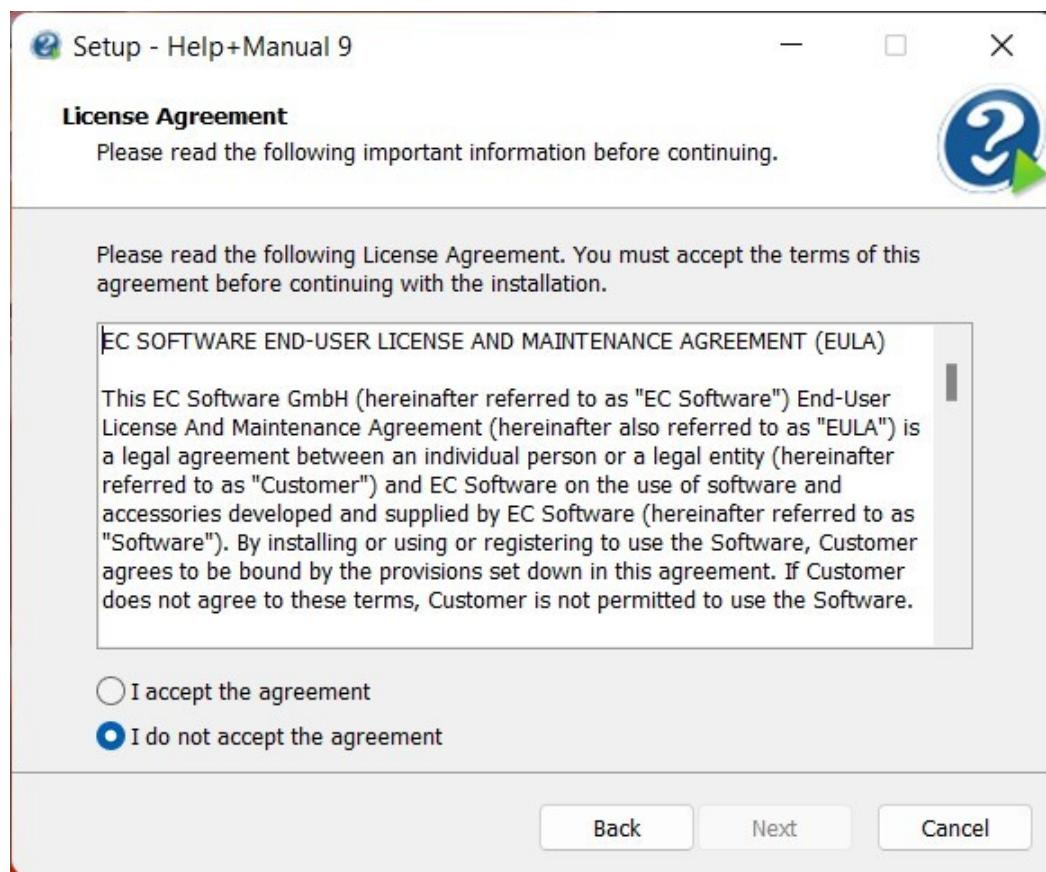

1. Open the folder on your computer where you downloaded the **Help + Manual 9** trial version executable, explained in the previous topic.
2. Double-click the executable file. The opening window of the installation program (installer) appears..

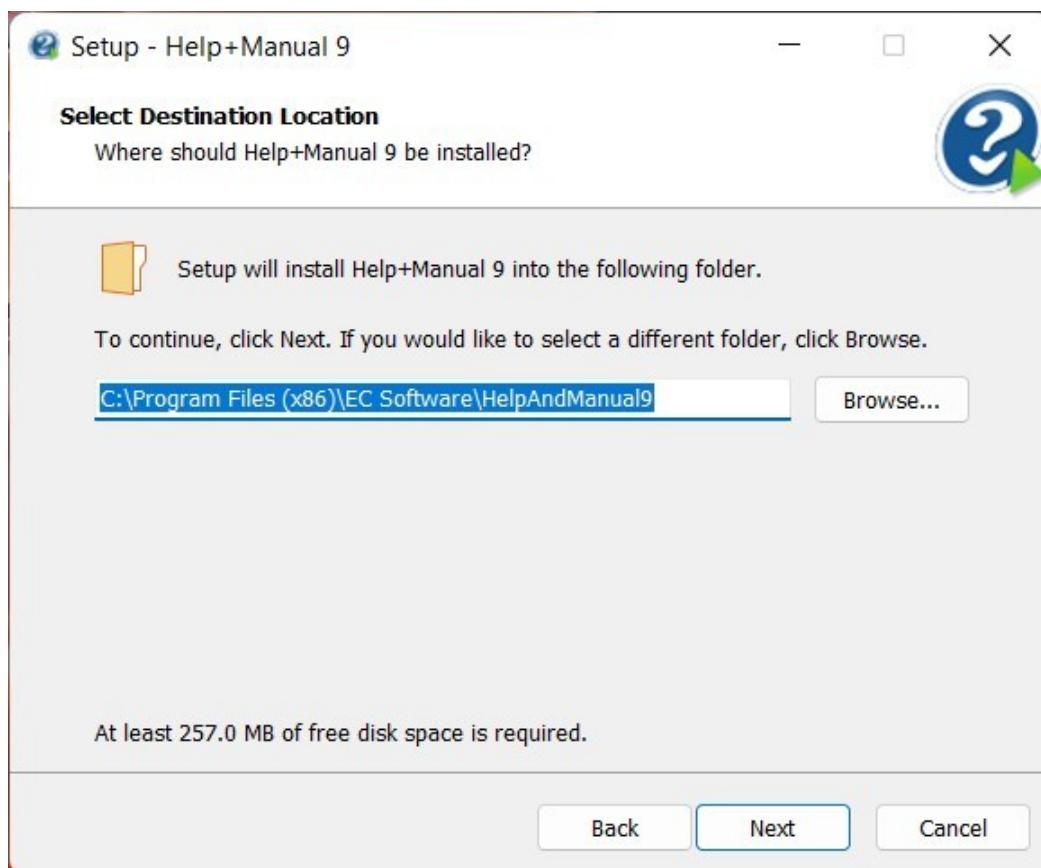

Note: If the following Windows **User Account Control** dialog appears, click **Yes** and the opening window of the installer is displayed.

3. Click **Next** of the first window of the installer. The subsequent window of the installer is displayed.

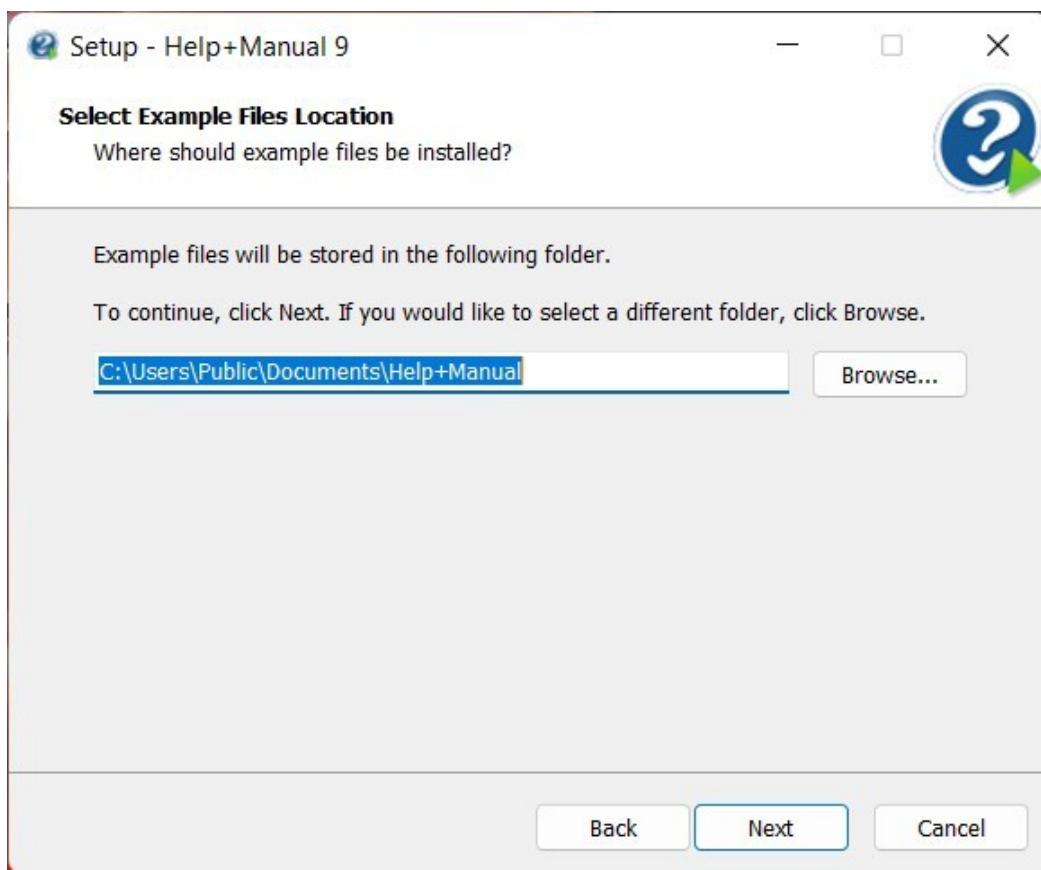

4. Select the **I accept the agreement** radio button and click **Next**. The next window of the installer indicating the default folder where **Help + Manual 9** is to be installed on your computer is displayed.

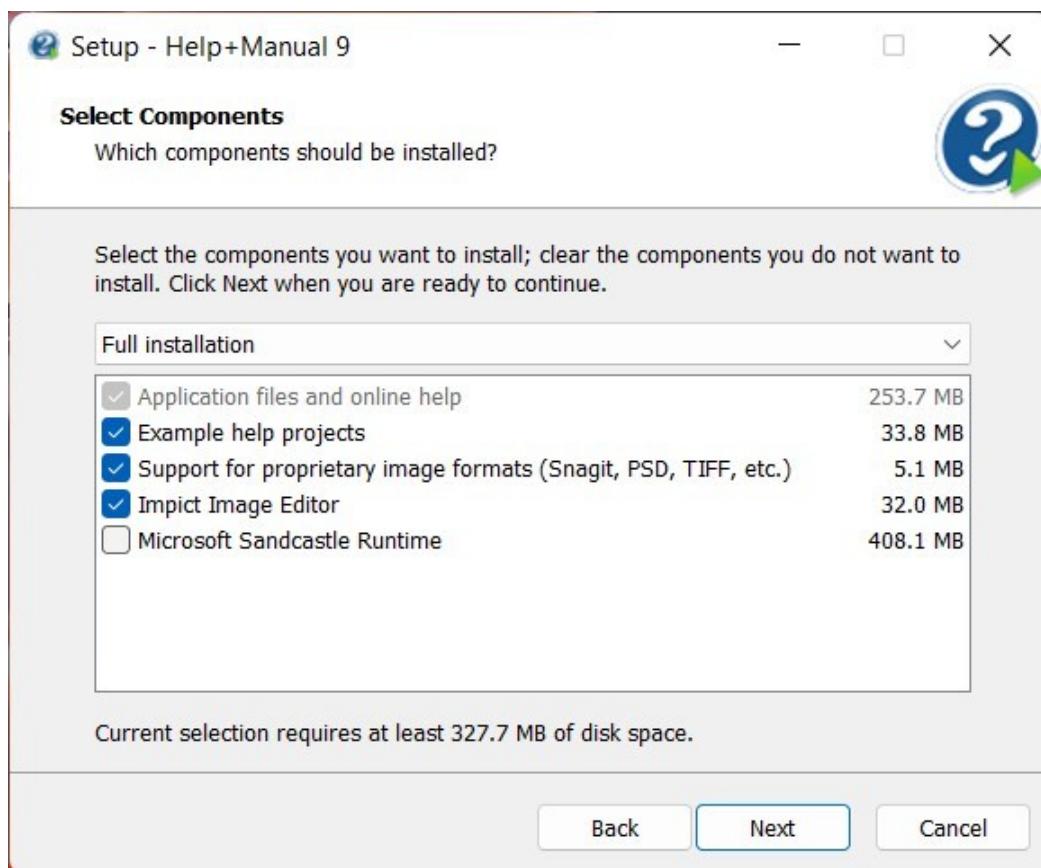

5. Click **Next** if you agree to this location,

or

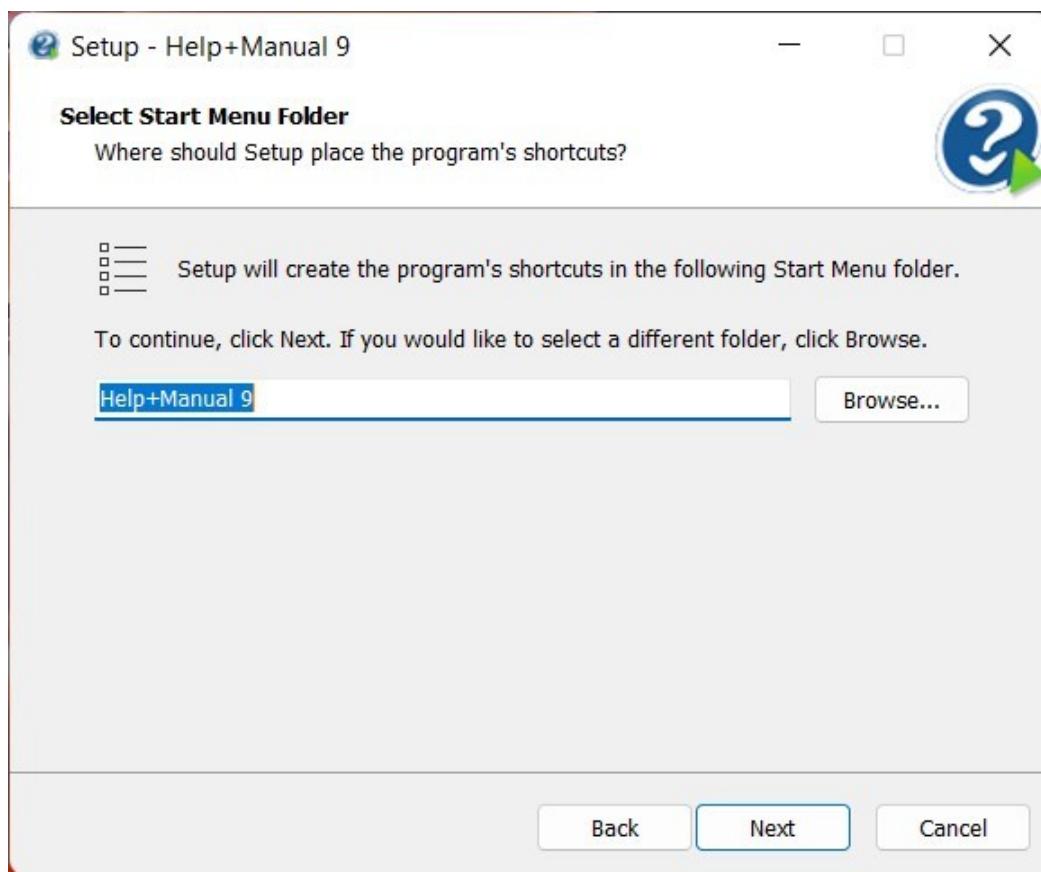

Change the folder in the field (using the Browse button) if you want it installed in another place on your computer and click **Next** when done. The next window of the installer appears.

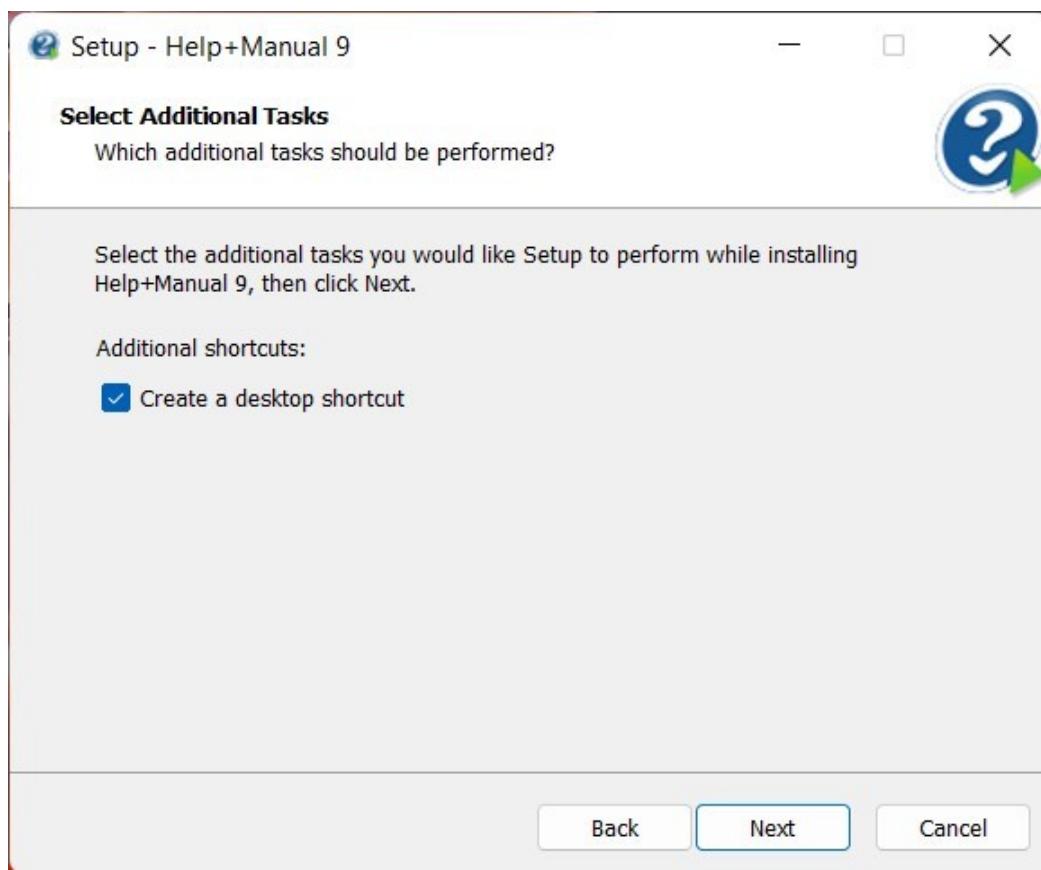

6. Click **Next** and the next window of the installer is displayed.

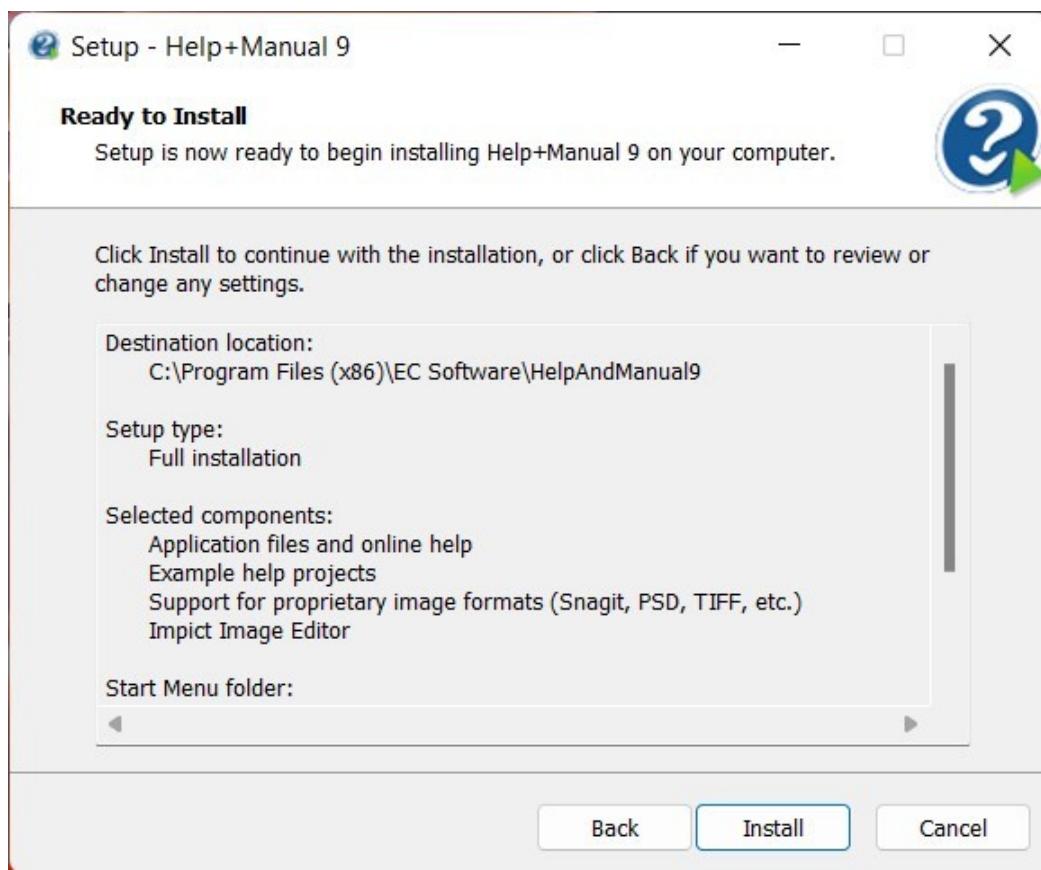

7. Click **Next**. The next window of the installer is displayed..

8. Click **Next** to confirm the default shortcut in the **Start Menu** Folder. The next window of the installer is displayed.

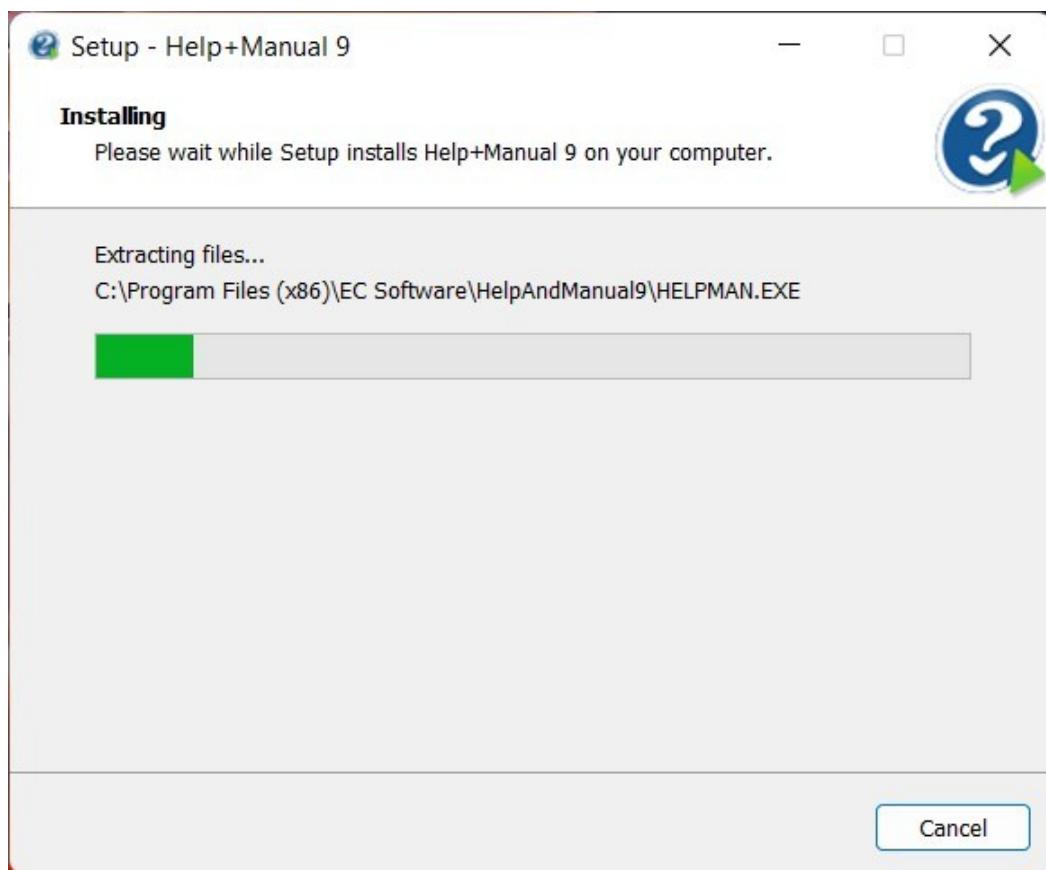

9. Click **Next** to confirm creation of the desktop icon. The following window is displayed.

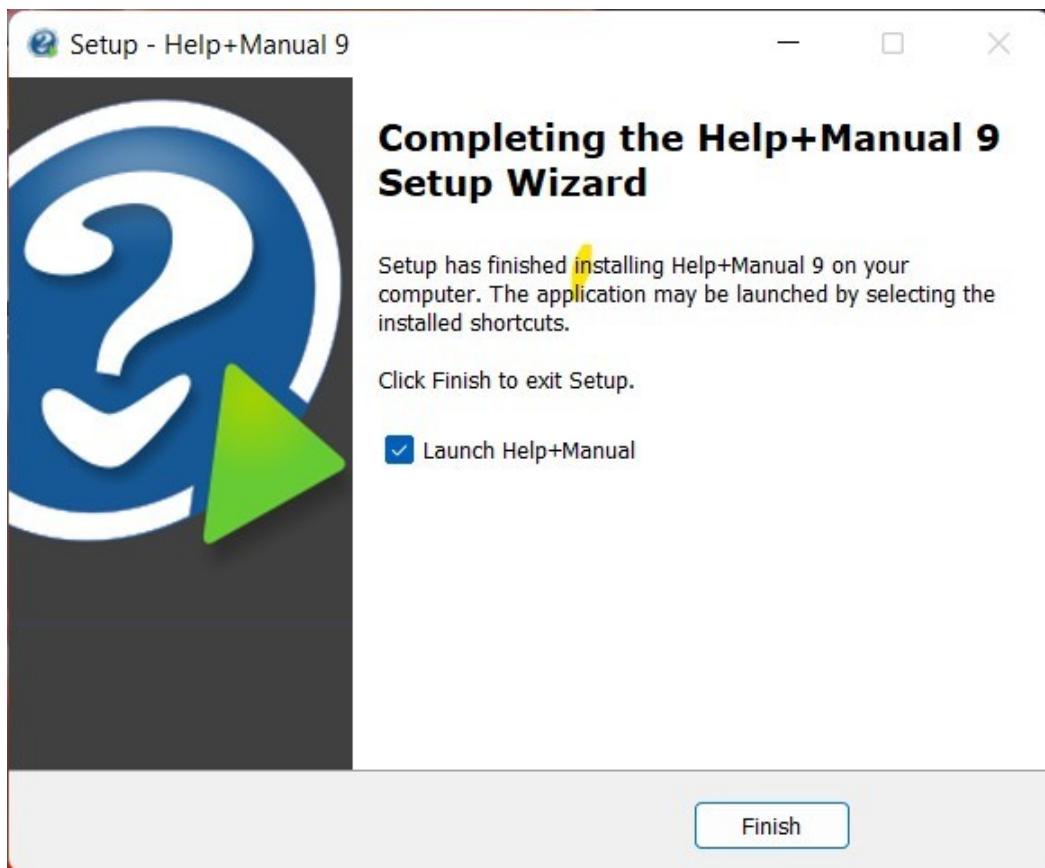

10. Click **Install** to confirm the list of items to be installed and the folders where they are going to be installed.

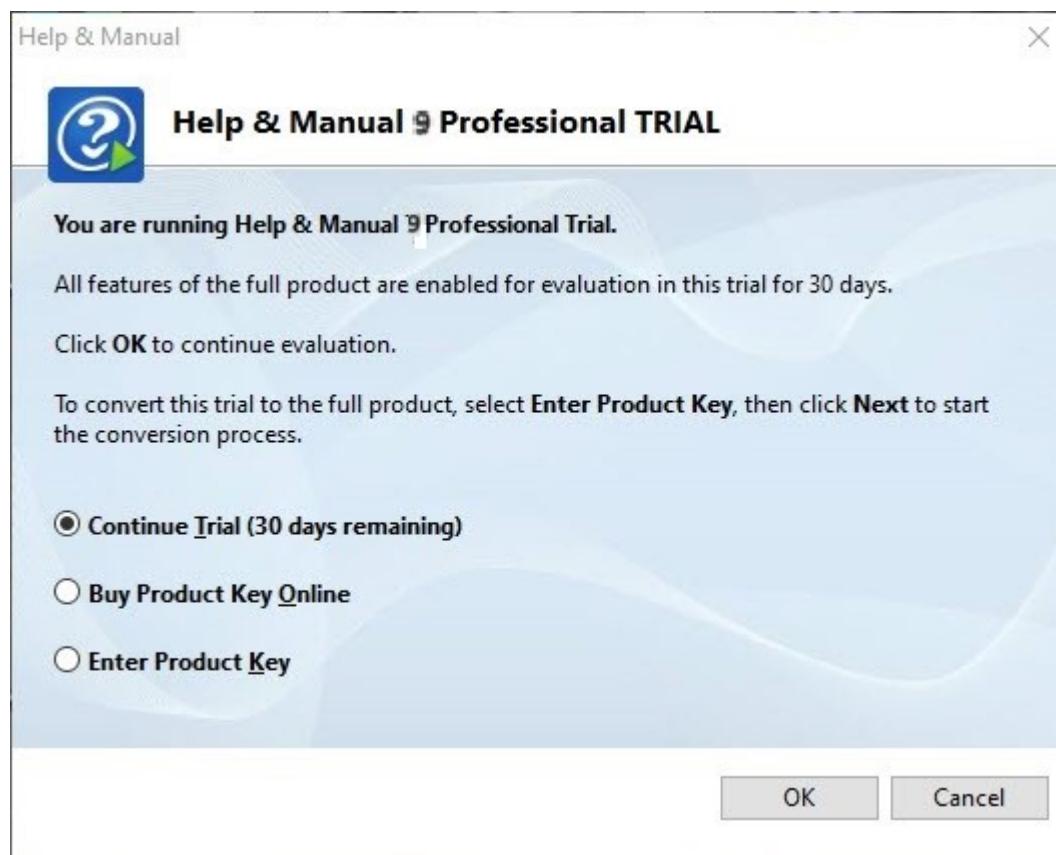

Note: You may browse through the list of items and go back clicking **Back** to make changes if the need be. The following window appears indicating installation

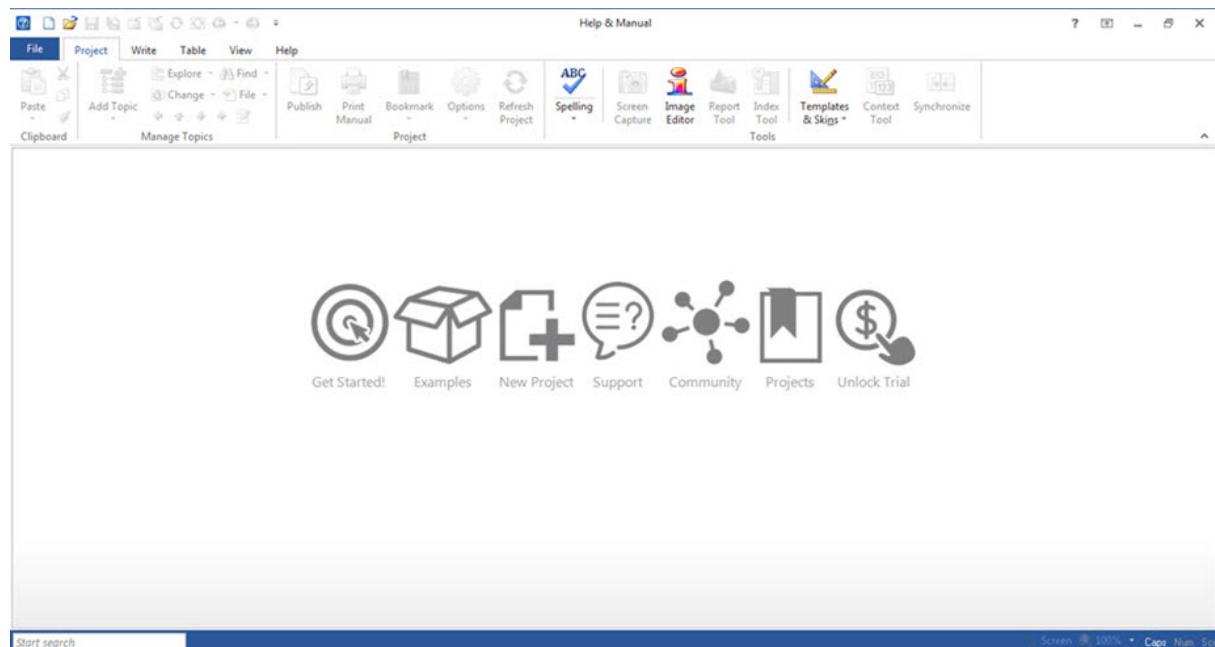

The final window after completion of installation is displayed below.

11. Click **Finish** to close the window. The **Help & Manual** application is opened on your computer. Since this is a trial version, the following window appears.

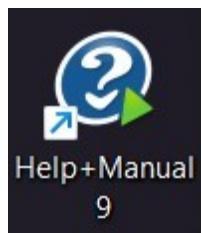

12. Click **OK** to continue. The program now opens on your computer's desktop as shown below.

13. Close the program by clicking the **Close** button located on the top right corner of the program window.

Note: The **Help & Manual 9** icon is displayed on your desktop. To invoke the program in the future, double-click this icon.
